Regional ribbons are available in the most common color printing formats:

- YMCKT 250 yield – simplex printing
- YMCKT 500 yield – simplex printing
- ymckT short panel 650 yield – simplex printing
- YMCKT-KT 350 yield – duplex printing

All other ribbon formats for these printers will continue to be available in the original legacy format and continue to function as expected within the printer. Examples are: KT, Black monochrome and white monochrome ribbons.
